TFB3302V

Product Description

CONTACT GRILL
1800 WATT

Technique and Design

Multifunctional – top and bottom heat for contact and party grilling, bake over and keeping food warm
Large grilling surface 310x220 mm
Variable temperature setting with integrated on/off switch
Pilot light – goes off when temperature is reached
Non stick grill plates with grease drainage openings
Removable grill plates

Colour: Aluminium / Anthracite

MES3000

MCP3500

Product Description

JUICER
700W MOTOR

CITRUS PRESS WITH PULP
ADJUSTMENT
25W MOTOR

Technique and Design

Large filling tube for whole fruits – no pre cutting necessary
Stainless steel micro filter basket for best juice extraction
Aluminum die cast clamp: high tightening force = no leakage
Active motor management: Juicer only works when all parts are properly assembled no risk of injury or spilling
Universal use for different types of fruit and vegetables
Two speed settings for hard and soft fruit
Easy to clean: all parts dishwasher safe
Rubber feet: providing stability
Automatic pulp emission
Large removable pulp container
Container for juice and foam separator
Integrated cable storage

Universal pressing cone for large and small citrus fruits
High production due to left and right hand motion of cone
Large 0.8l juice container
Integrate scale to read amount of juice
Automatic on/off when pressing cone
Integrated cable storage
Easy to clean dishwasher safe
Dust protection cover

	TDA5657 (While stocks last)	TDA5650 (While stocks last)
Product Description	STEAM IRON SENSIXX B4 PROTECT 2400W	STEAM IRON "PRO ENERGY" 2400W
Soleplate and Steam	Palladium-Glissée ceramic soleplate Continuous steam: 40g/min Shot of steam: 120g/min Vertical steam for quick ironing of hanging textiles Textile protector reduces shiny patches and prevents scorching	"e" steam setting: 24% energy saving "Palladium-Glissée" soleplate with steam channels and 3 zone layout – ideal steam distribution and superb gliding Continuous steam: 40 g/min Shot of steam: 120 g/min Vertical steam for quick ironing of hanging textiles
Technique and Design	Advanced steam system: optimized steam distribution due to a new advanced soleplate design Variable steam control Variable temperature control AntiCalc feature: Cleaning function with self-clean and built-in anti-calc system "secure" auto shut-off when iron is left unattended Drip-Stop function Extra long 2.0m cable with flexible joint and cord tidy facility Large transparent water tank: 300ml Water spray function LED control light	Advanced steam system: optimized steam distribution due to a new advanced soleplate design Variable steam control Variable temperature control AntiCalc feature: Cleaning function with self-clean and built-in anti-calc system "Secure" auto shut-off when iron is left unattended Drip-Stop function More mobility during ironing due to turning cord guidance and 2 m long cord Large transparent water tank
Product Specs	Colour: White / Deep Violet	Water tank capacity: 300 ml Colour: White / Green

	TDA3630	TDA2630
Product Description	STEAM IRON “SENSIXX” B2 SECURE 2300 WATT	STEAM IRON “SENSIXX SECURE” 2000W
Soleplate and Steam	<p>“Palladium Glissee” soleplate with steam channel and 3 Zone layout for ideal steam distribution and superb gliding</p> <p>Continuous steam: 35g/min</p> <p>Shot of steam: 100g/min</p> <p>Quick fill tank with large rear opening</p> <p>Vertical steam for quick ironing of hanging textiles</p>	<p>High quality “Palladium Glissee” soleplate, with steam channels and 3 zone layout, superb steam distribution and superb gliding</p> <p>Slim ironing tip – easy ironing along buttons and seams</p> <p>Constant high steam output of 25 g/min</p> <p>Shot of steam: 80 g/min</p> <p>Vertical steam for quick ironing of hanging textiles</p>
Technique and Design	<p>Variable steam control</p> <p>Variable temperature control</p> <p>3AntiCalc feature: Triple cleaning function with selfclean and built-in anti-calc system</p> <p>Extra long 1.8m cable with flexible joint, cord tidy facility and cord clip</p> <p>LED control light</p> <p>Drip-Stop function</p> <p>Water spray function</p>	<p>AntiCalc feature: triple cleaning function with self-clean, calc ‘n clean and built-in anti-calc System</p> <p>Drip Stop function</p> <p>Dry ironing and steam ironing</p> <p>“Secure” auto shut-off when iron is left unattended</p> <p>Overheat protection</p> <p>LED control light</p> <p>More mobility during ironing due to turning cord guidance and long cord of 1.8 m</p>
